Parking Pass / Tag Number – the City of Salem assigned Parking Pass / Tag Number indicated on the actual hanger / bumper tag; you must enter all pass / tag numbers, searching with only a partial pass / tag number may not yield an accurate result.

License Plate Number - the vehicle/motorcycle DMV assigned plate number; you must enter all license plate characters, searching with only a partial license plate number may not yield an accurate result. Do not input a space in between alpha and numerical distinctions.

Select SUBMIT once you have input your search criteria.

Results

Included on the results page is the Pass / Permit Type, the Parking Zone (area the tag is currently assigned to), Parking Tag Number and Status.

Pass / Permit Type – this public search tool is setup to display only PT – Parking Temporary, PS – Parking Street, PR – Parking Residential, PG – Parking Guest, and PF –Parking Facility.

Parking Zone – this will display what area the passholder’s tag is currently assigned to but provides no other passholder detail.

Parking Tag Number – this will display that tag number associated with the license plate.

Status – this public search tool is setup to display only passes / tags in status of CANCELED, READY TO ISSUE, VALID TEMPORARY, and VALID.
